Consumer Credit Counseling Service (CCCS) disburses payments to creditors on a weekly basis. Only payments that are equal to or greater than your scheduled monthly payment amount will be sent out weekly. All payments less than your scheduled monthly payment amount will be sent in our last full week of the calendar month.

You are responsible for ensuring that CCCS receives your full scheduled monthly payment amount on a timely basis in order to avoid late fees and possible removal from your program by the creditors.

CCCS policy is to hold electronic payments for at least eight days before disbursement.
